TOURNAMENT

The ranking for the tournament will be based on the team record from the regular season schedule. If a team has same record we will look at who won the most matches when they played each other. If it still remains a tie we will look at season points. That winning team will get the higher rank. If we have a three way tie we will look at head to head matches and each set in that match to determine a tie breaker. If it still remains a tie we will look at season points.

There will be three games played for finals. The first game will feature the 5th and 6th place. Winner will take 5th place. The second game will feature the 3rd and 4th place. Winner will take 3rd place. The third game will be the title game which will feature the 1st and 2nd place. Winner will take the championship.
