XV. Sponsor Update

January 2021 – Our site visits remain remote. We will look at attendance, enrollment, climate and culture, and conduct our first review of the schools' 11.6 goals.

Remember to read all correspondence from the ESC of Lake Erie West. The January 2021 sponsor newsletter will be available later this week. Our December 2020 newsletter is available electronically and contains the following items: The compliance calendar for December, AED and CPR requirements for schools, 11.6 update for schools and boards, Latest PD events and Special education updates and resources

Find the latest ESC sponsor newsletter at our community schools website:

<http://www.esclakeeriewest.org/CommunitySchools.aspx>

Each month you will receive the monthly finance and enrollment review data from the ESC of Lake Erie West – there were no red flags. Audit data in this area is limited to spot-checking of fiscal items for compliance and is NOT an evaluation or statement of a school's overall financial health. If you have questions about your school's finances, speak with your treasurer.

11.6 goals – Approved for the school by the sponsor and this month we will begin monitoring the goals.

SITE VISIT CHANGE: Once students return to their building for instruction, we will be working with the principal to resume in-school site visits. Each RTAE will be working individually with the principal to determine when and how the in-person site visits can be performed safely. We will follow all building protocols as we return to your building.
