XV. Sponsor Update

Diane Longstreth, Regional Technical Assistance Educator provided the following updates per the Governing Authority Report:

Month: April 2021

Site Visit Updates:

March 2021 – Site visits returned to an on-site visit with follow-up as needed via phone. It was wonderful to see everyone again after a year! Buildings were consistently very clean, orderly, and safe.

April and May 2021 – Site visits are on-site and will focus on academics, building climate, and 11.6 goal progress. We will not be doing classroom visits this year or any stakeholder interviews.

General Update:

Remember to read all correspondence from the ESC of Lake Erie West. The April 2021 sponsor newsletter has been published and contains critical information for the 20-21:

- Suicide education requirements for grades 6-12.
- Epicenter requirements, deadlines, and changes.
- Threat Assessment Team requirements.
- Special Education Update.
- Professional Development offered by the ESC.

Find the latest ESC sponsor newsletter at our community schools website:

<http://www.eslakeeriewest.org/CommunitySchools.aspx>

Each month you will receive the monthly finance and enrollment review data from the ESC of Lake Erie West – there were no red flags. Audit data in this area is limited to spot-checking of fiscal items for compliance and is not an evaluation or statement of a school's overall financial health. If you have questions about your school's finances, speak with your treasurer.

11.6 goals - Academic goals will have little data for the 11.6 evaluation. All of the non-academic goals will have data and we continue to collect this data at each visit/phone check in.
