XV. Sponsor Update

Joyce Lewis, Educational Service Center of Lake Erie West Regional Technical Assistance Educators provided the following updates per the Governing Authority Report:

Month: November, 2021

General Updates:

The November sponsor update discussed the difference of meeting minutes vs. resolutions. Many tasks required by the Department of Education, are now requesting resolutions be submitted as documentation in place of meeting minutes. When using a resolution over meeting minutes, the resolution should be straight forward with the wording of the document and should describe the action the board agreed to take. The resolution should be written on the school's letterhead and include the date as well as the names of the parties to the resolution. For more information regarding board resolutions, or to view a sample, please reach out to the ESC of Lake Erie West Community Schools Team Leaders, Kristi Hayward or Julie Kadri.

With the passing of House Bill 110, ORC 3314.355 prohibits using any report card prior to the 2022 – 2023 school year in determining if a community school is subject to closure. Therefore, due to the pandemic there has been a reset of automatic closure due to Local Report Card rankings and the 2022 – 2023 Local Report Card will become the new starting point.

During the October site visit all monthly compliance items were reviewed and marked compliant. During the classroom observations it was evident that teaching and learning was occurring. During the November site visits I will be conducting student file reviews and we will be discussing the culture and climate in the building.

Our Financial Consultant Linda Moye holds a monthly phone meeting with the school's treasurer, a completed report of this meeting is emailed to all board members. At this time, there were no red flags discussed. If you have any questions regarding your school's financials, we encourage you to reach out to your treasurer.

2021 – 2022 Governing Authority Goal (Attachment 11.6)

****New goals will be set in the fall of 2021, for the 2021-2022 school year****
