XV. Sponsor Update

Joyce Lewis, Educational Service Center of Lake Erie West Regional Technical Assistance Educators provided the following updates per the Governing Authority Report:

Month: February, 2022

General Updates:

In order for the school to receive full financial funding, and complete a full educational year for students, the school calendar of instructional days is required by Ohio law to meet 920 instructional hours. This is important to keep track of with the school closures that have already occurred

Last month I reviewed the Special Education files. All schools are in compliance and I gave feedback where it was warranted. This month we will be reviewing the 11.6 goals.

Our Financial Consultant Linda Moye holds a monthly phone meeting with the school's treasurer, a completed report of this meeting is emailed to all board members. At this time, there were no red flags discussed. If you have any questions regarding your school's financials, we encourage you to reach out to your treasurer.

2021 – 2022 Governing Authority Goal (Attachment 11.6)

If you would like to attend a sponsor visit with me for one of your activities under goal # 1 please let me know and I will be more than happy to share my schedule with you and have you join me. You have all met goal # 2.

1. Members of the board will collectively participate in at least 3 of the following activities:

- visit the school while classes are in session;

- attend a school event (I.e. field trip, professional development, graduation, promotion, opening convocation, motivational speaker);
- attend a sponsor visit to the school;
- serve on a committee related to the school (i.e. professional development, LPDC, finance, scholarship, gold event, holiday committee);
