Joyce Lewis, Educational Service Center of Lake Erie West Regional Technical Assistance Educators provided the following updates per the Governing Authority Report:

Month: March, 2022

General Updates:

On 1/9/21, Governor Mike DeWine signed a set of laws strengthening dyslexia support for Ohio's children. This new support law establishes dyslexia screening measures, professional development requirements, a certification process for certain teachers, and the creation of the Ohio Dyslexia Committee. Once the final Guidebook is released, the ESC will be offering multiple trainings and office hours to support our schools in the implementation of the new requirements.

As a reminder, the Five-Year Forecast Update is due in Epicenter by April 30th. Although approved meeting minutes/resolution are not collected by ESCLEW/ODE, the forecast must be board approved prior to submission.

All of the February site visits were marked compliant. During this month's site visits I will discuss the climate and culture of the building, the state testing schedule and preparation, and I will be doing classroom observations.

Our Financial Consultant Linda Moye holds a monthly phone meeting with the school's treasurer, a completed report of this meeting is emailed to all board members. At this time, there were no red flags discussed. If you have any questions regarding your school's financials, we encourage you to reach out to your treasurer.

If you would like to attend a sponsor visit with me for one of your activities under goal # 1 please let me know and I will be more than happy to share my schedule with you and have you join me. You have all met goal # 2.
