**XV. Sponsor Update**

Joyce Lewis, Educational Service Center of Lake Erie West Regional Technical Assistance Educators provided the following updates per the Governing Authority Report:

Month, May, 2022

General Updates:

- All community schools who have a blended learning declaration on file for the duration of the school year will be required to complete the data collection worksheet regardless if the blended learning model was implemented or not and sign the ESCLEW blended learning declaration form confirming the ceasing of the declaration and return to the ESCLEW Team Leader of Academics, Kristi Hayward, at [khayward@esclakeeriewest.org](mailto:khayward@esclakeeriewest.org) by June 30, 2022.
- Community schools are required to complete at least one emergency drill per month as long as students are in the building. If students are in the building just two days into the month of June, an emergency drill is required by law to be completed.

All of the April site visits were completed. The special education files that were reviewed were marked complaint. During the May site visit we will be discussing the year as a whole in order to collect FY22 data to be included in the annual evaluation of the school.

Our Financial consultant Linda Moye holds a monthly phone meeting with the school’s treasurer, a completed report of this meeting is emailed to all board members. At this time, there were no red flags discussed. If you have any questions regarding your school’s financials, we encourage you to reach out to your treasurer.

If you would like to attend a sponsor visit with me for one of your activities, please let me know and I will be more than happy to share my schedule with you and have you join me.

- visit the school while classes are in session;
- attend a school event (I.e. field trip, professional development, graduation, promotion, opening convocation, motivational speaker);
- attend a sponsor visit to the school;
- serve on a committee related to the school (I.e. professional development, LPDC, finance, scholarship, gold event, holiday committee);
- attend in person or virtually a regional, state, or national conference related to school choice or charter schools.

Evidence on progress of making the goals is listed above by school.
