XV. Sponsor Update

Joyce Lewis, Educational Service Center of Lake Erie West Regional Technical Assistance Educators provided the following updates per the Governing Authority Report:

Month: November 2022

General Updates:

The Fall 2022 Community School Contract Modification was emailed out this week the contract reflects recent changes in the law as well as updates to the payment to the sponsor for monitoring, oversight and technical assistance, the school's education plan, and performance framework to reflect the current school year and changes to state report cards. It is important the schools stay on top of their progress of the 11.6 goals. The Ohio Department of Education requires all sponsor's contracts to include a performance framework that defines each school's expected academic, financial, and organizational/operational outcomes with clear, measurable, and inclusive targets. It is also important to update the school's education plan. The education plan of the school should be a detailed explanation of the academic program the school is using.

Updated annual performance reports will be sent out showing the removal of the chronic absenteeism goal. Although chronic absenteeism was listed on the report card it was not a weighted component on the 2020-2021 school report card and therefore will not be included in the school's annual performance report.

The 2021-2022 Educational Service Center of Lake Erie West's Community Schools Center Sponsor Annual Report is a combination of all community schools sponsored by the ESCLEW and will be provided to all school stakeholders in early November. The 2021-2022 Educational Service Center of Lake Erie West's Community Schools Center Sponsor Annual Report is required to be posted to the school's website by November 30, 2022, to serve as notification to parents of students enrolled at each school.

During the October site visit I conducted classroom observations in Math and Reading to ensure the school is following their Education Plans and that they are up to date. I also reviewed current student enrollment, the Emergency Drill Log, Fall Assessments, Kindergarten Readiness Assessments, the Resident Educator Program, Teacher and Administration Evaluation Process, Third Grade State Testing and 11.6 Performance Framework Goal Setting. During the visit all items were marked compliant.

Our Financial consultant Linda Moye holds a monthly phone meeting with the school's treasurer, a completed report of this meeting is emailed to all board members. At this time, there were no red flags discussed. If you have any questions regarding your school's financials, we encourage you to reach out to your treasurer.

New goals will be set in the fall of the 22-23 school year.
