XV. Sponsor Update

Joyce Lewis, Educational Service Center of Lake Erie West Regional Technical Assistance Educators provided the following updates per the Governing Authority Report:

Month: January, 2023

General Updates:

A copy of the Certificate of Liability Insurance and Evidence of Property Insurance is included in Attachment 10.1 of the board's contract with the ESC of Lake Erie West (ESCLEW). However, the coverage detailed in the attachment is only effective for the year the original contract was signed. Schools are required to submit updated certificates to ESCLEW each year.

Just a reminder that each school's contract with ESCLEW requires general liability insurance (at least \$1 million per occurrence and \$3 million in aggregate), excess or umbrella policy extending coverage as primary coverage for at least \$5 million, directors' and officers' liability and errors and omissions coverage (at least \$1 million per occurrence, not claims-made coverage), and property insurance.

During the December site visit I reviewed student general files for compliance as well as reviewed updates on academic progress on winter benchmark testing and Reading Improvement Plans, and progress towards the school's 11.6 goals.

During the January site visit I reviewed student discipline and PBIS. I also interviewed 3 students during a stakeholder interview.

Our Financial consultant Linda Moye holds a monthly phone meeting with the school's treasurer, a completed report of this meeting is emailed to all board members. At this time, there were no red flags discussed. If you have any questions regarding your school's financials, we encourage you to reach out to your treasurer.

2 out of 5 board members will participate in at least one school activity such as a school visit, family fun night or Sponsor visit
