July 10, 2023

Dear Old Brooklyn Families:

I am so excited to welcome our learners back to school for the 2023-2024 school year! I know that you have many choices when it comes to educating your child. Thank you for choosing our school! I know you will not regret your choice!

This year, I will be serving as the principal of both OBCE and OBCM. I am excited to work with a dynamic leadership team! I will continue to serve as the point of contact for the Elementary School and will oversee the Elementary Program. Mrs. Jack will continue her role as the Dean of Community and Family Engagement with a focus on increasing student attendance and providing support to families.

Please join me in welcoming Miss Wodson and Mr. Baker to our team! Miss Woodson will serve as the Assistant Principal and will be overseeing the Middle School Program. She will serve as the point of contact for the Middle School. Mr. Baker will be the Dean of Community and Family Engagement for OBCM and will be overseeing PBIS and student discipline/leadership.

Our entire team is committed to excellence in education. We will continue to work diligently to ensure that the academic and social-emotional learning needs of your child are met. Learning and safety will always be our top priority! As a family of learners, we encourage you to be a part of your child's educational journey with us! We look forward to working with you throughout the year.

We are looking forward to a great school year! Our team is in place, and we are ready to welcome our school family back! We will be starting this year off with a Fun Family Cookout! Mark your calendars for July 27th from 6:30 -7:30 pm. This will be a fun event on our school grounds, and we hope to see you there!

As we start off the new school year, please take note of our contact information. Please know that we are available to meet and discuss any questions you might have and any suggestions you have regarding our school program!
