**XV. Sponsor Update**

Joyce Lewis, Educational Service Center of Lake Erie West Regional Technical Assistance Educators provided the following updates per the Governing Authority Report:

Month: May 2023

General Updates:

The College Credit Plus program allows Ohio students in grades 7-12 to earn college credits while completing their high school requirements. More information regarding the benefits and requirements of the program are linked to the May Sponsor Update.

Community Schools are required to complete at least one emergency drill log per month if students are in the building. If the school has completed all required fire and safety drills for the school year, then only a tornado drill will be required for the remaining months students are in the building.

At the May site visit we reviewed yearly compliance for the emergency drills, testing status, reviewed and progress monitored the school’s 11.6 academic and nonacademic goals as well as checked in on the implementation of the school’s Reading Improvement Plan.

The June site visit will be held via phone to finalize the results of the school’s 11.6 goals.

Our Financial Consultant Linda Moye holds a monthly phone meeting with the school’s treasurer, a completed report of this meeting is emailed to all board members. At this time, there were no red flags discussed. If you have any questions regarding your school’s financials, we encourage you to reach out to your treasurer.

**Goal: Same goal for all schools:** In at least four out of ten meetings for the 2022-2023 school year, 4 out of 5 board members will attend the monthly board meeting.

**Evidence:** They have had at least four board members present for 4 board meetings.

**Progress – Met Goal**
