XV. Sponsor Update

Reminder that due to the requirements of House Bill 2, each board member is required to complete sunshine laws (open meetings) training every year. The new school year started July 1 for this requirement. Typically, the ESCLEW will offer this training in the fall (October). An email with information regarding the date and registration information will be sent once it's finalized.

In the June ESCLEW Sponsor Update, we provided guidance regarding health curriculum requirements specific to instruction in suicide prevention, violence prevention, and social inclusion based on guidance we received from the state. However, after verification with ODE this component of HB 123 is not applicable to community schools, although components of HB 288 effective April 2023 will be required for community schools in 2023-2024. Community schools are required to provide health education instruction in child sexual abuse and sexual violence prevention beginning in the 2023-2024 school year.

Site visits will resume in September.

Our Financial consultant Linda Moye holds a monthly phone meeting with the school's treasurer, a completed report of this meeting is emailed to all board members. At this time, there were no red flags discussed. If you have any questions regarding your school's financials, we encourage you to reach out to your treasurer.
