As a reminder the open meetings and public records training with the Attorney General or Auditor of State is due April 30, 2024. Kurt Aey, the director of ESCLEW Community Schools sent an email containing the school's Annual Performance Report. The report summarizes the school's academic performance, legal compliance, financial health and sustainability, and organizational and operational performance according to the most recent data available for the year in review. You will also see within this report how your school has performed as compared to previous years in the current term of the contract. The Annual Performance Report also provides an overview of your school's enrollment demographics for the 2022-2023 school year.

The ESC of Lake Erie West is committed to promoting high-quality education for public school students in Ohio. This Annual Performance Report is produced in order to:

1. Provide timely information to the community school on its performance relative to the standards and expectations established by applicable federal and state law and the charter contract.
2. Identify the school's strengths and any areas needing improvement.
3. Provide information that enables the community and the public to understand the school's performance, including its fulfillment of public obligations.

September site visit highlights included:

- a building walkthrough with a focus on health and safety
- a review of monthly emergency drill requirements
- a review of the school's climate and culture including PBIS and discipline
- testing and instructional calendar compliance review
- a review of the new Performance Framework (11.6) Rubric
- staff training for state assessment requirements
- Dyslexia law rollout, including multidisciplinary teams and screener planning

At the October site visits, we will conduct classroom observations with a focus on climate and culture.

Our Financial consultant Linda Moye holds a monthly phone meeting with the school's treasurer, a completed report of this meeting is emailed to all board members. At this time, there were no red flags discussed. If you have any questions regarding your school's financials, we encourage you to reach out to your treasurer.
