Families - if you need to speak with a teacher, please communicate with them via dojo or email to set up a time.

It is never okay to walk into a classroom without prior permission from the teacher or the office. Doing so creates an unsafe environment - our staff deserves to feel safe doing their jobs.

We appreciate your cooperation in this matter!

## REMEMBER!

Cell phones will be collected daily before students report to class.

We care deeply about educating your child and they are here to learn. There will be no exceptions to this rule.

Phones will be locked up safely in the main office and redistributed at the end of each school day.
