

Constellation Schools: Parma Community Parma Community Intermediate

"The Right Choice for Parents and a Real Chance for Children!"

It's Spirit Week, PCI families! Be sure to check out the dress down days for this coming week! ****Remember that Wednesday is the final day of school before Winter Break.****

- 1) Students will participate in Spirit Week Dress Downs days next week. Below is the list of what to wear each day 😊.

- 2) I want to send a shout-out to our 5th graders who put on an amazing Winter Concert Thursday evening! Check out a couple of videos below...

[Video 1](#) [Video 2](#)

- 3) Parents and guardians, I want to make everyone aware of something that is happening in school. Students are bringing these "Juicy Drop Pop" candies (pictured below) into school and are trying to sneak a sweet treat during class or at recess. The problem we are beginning to find is that when students are doing this, it can be misconstrued as students using a vape due to the similarities in the design of the candy. We are aware that vaping is a real thing and is happening amongst many teens and pre-teens nationwide. I strongly encourage everyone to ensure your student isn't bringing this candy to school as it may be mistaken for a vape.

- 4) A reminder that tardies are adding up quickly. Students are considered tardy if not in the building by 8am. Minutes accrue and many families will soon be receiving a letter home regarding truancy due to tardiness and excessive absences.
- 5) Families, you can now access the Cuyahoga County library online and check out books digitally! Please scan the QR code below to access this great resource.

- 6) Please check your students(s)' homeroom Dojo pages as teachers are giving specific information about class parties next Wednesday.

7) The quarter two (2) grading period ends on Wednesday, January 10th.

Make sure to be continue checking grades to turn in missing work. The final day for missing assignments to be turned in for quarter two is Tuesday, January 9th.

8) On Monday, PCI will be randomly drawing one family during the school day to win this basket from Galucci's Italian Food (pictured below). If you are the lucky winner, we will call you and you'll be the one who gets to take this home for the holidays!
