XV. Sponsor Update

Joyce Lewis reminded everyone that the Open Meetings and Public Training needs to be completed by April 30, 2024.

Presented by:	Joyce Lewis	In Person
Governing Authority Highlights / Important updates from ESCLEW	In August 2023, the Auditor of State announced plans to test compliance with Sunshine Training completion by community school officials, requiring approval from the Attorney General. However, the Auditor of State's Office revised Bulletin 2021-007 in January 2024, delaying compliance testing. ESCLEW will now accept Open Meetings and Public Records training from alternate sources until April 30, 2024. Additionally, an extra training session with Adam Schira is being arranged, with details to follow. For further inquiries, please reach out directly.	
Recent Site Visit Highlights	In February, we conducted a comprehensive review of the school's mid-year assessment data, ensuring that progress on the school's 11.6 goals was updated and discussed. We also verified the status of staff training plans for state assessments. Additionally, we assessed new compliance requirements, including those related to students requiring seizure plans, and the provision of feminine hygiene products to students in grades 6-12 was also addressed. This month we are	

	reviewing RIMPS, interviewing staff members, updating any progress on 11.6 and verifying the spring OST assessments are scheduled to take place.
Financial Update	Our Financial consultant Linda Moye holds a monthly phone meeting with the school's treasurer, a completed report of this meeting is emailed to all board members. At this time, there were no red flags discussed. If you have any questions regarding your school's financials, we encourage you to reach out to your treasurer.
Any questions asked by the Governing Authority for the Sponsor?
