Governing Authority Highlights / Important updates from ESCLEW	Please remember the Open Meetings and Public Records training should be completed by April 30, 2024. We will be collecting the spring data for the school's academic Performance Framework Goals for the 2023-24 school year. These goals include Achievement, and Growth. Additionally, the data from the Ohio Report Card will be collected in the fall once the results are released. While all three sections will be evaluated, only the section with the highest score will be considered in the school's annual evaluation and high stakes review.	
	Last month, we conducted RIMPS reviews, staff interviews, updated progress on 11.6, and confirmed scheduling for spring OST assessments.	

Recent Site Visit Highlights	This month, our focus is on several key tasks. Firstly, we'll ensure Emergency Drill Log compliance and verify high school Graduation Ceremony arrangements. We'll assess Task #223 for K-6 grades, checking for mandated child sexual abuse prevention in the curriculum. For grades 7-12, Task #224 will be reviewed for sexual violence prevention instruction. Task #225 involves confirming parental notification and access to related materials for students in prevention instruction, along with any student exemptions upon request. Additionally, Task #706, Erin's Law, will be checked to ensure the governing authority has adopted a program of in-service training in child abuse, violence, and sexual abuse prevention, delivered by law enforcement or prosecutors with relevant expertise.
Financial Update	Our Financial consultant Linda Moye holds a monthly phone meeting with the school's treasurer, a completed report of this meeting is emailed to all board members. At this time, there were no red flags discussed. If you have any questions regarding your school's financials, we encourage you to reach out to your treasurer.
