

Old Brooklyn Community School Annual Giving Tree

Hello Old Brooklyn Community Elementary & Middle School Families and Friends,

As we approach the festive season, we are excited to launch our annual Giving Tree initiative to spread joy and support within our school community. We've made it convenient for you to participate.

How to Contribute:

We invite you to visit our online Giving Tree platform where you can view a selection of gift choices for individuals in our school community. Your participation is simple and can be done in a few easy steps:

- Click on the following Online Giving Tree Link: <https://signup.com/go/twvbDLB>
- Browse through the available gift options.
- Select the gifts you would like to contribute to and follow the process.

Important Details:

- **Please ensure that all gifts are sent to the school by December 18th. Wrap each gift with care and mark it with a non-permanent label indicating the assigned number, the recipient's age, and the specific item.**

Your thoughtful contributions will make a significant difference in brightening the holiday season for members of our school community.

If you have any questions or need assistance, feel free to reach out to the school at 216-661-7888 or email Karen Jack at jack.karen@constellationschools.com.

Thank you for joining us in making this Giving Tree a special tradition filled with generosity and warmth.

Warmest Wishes,

Old Brooklyn Community Elementary and Middle School

**Please feel free to share the link with your family and friends who wish to make someone's Christmas a little more merrier.
