XVI. Sponsor Update

Month: November

<p>Governing Authority Highlights/Important updates from ESCLEW</p>	<p>Ohio Governor Mike DeWine’s new initiative aims to cut chronic absenteeism in Ohio schools by 50% over five years, highlighting the link between attendance and student success. School board members are crucial to this effort, focusing on attendance at meetings, analyzing data to identify root causes, and implementing strategies to keep students engaged. You are encouraged to use resources from the Attendance Taskforce and collaborate with initiatives like the <i>Stay in the Game! Network</i> to build supportive environments that promote regular attendance across the state.</p> <p>The ESC of Lake Erie West issued its Annual Performance Report to support high educational standards for Ohio’s public-school students. The report aimed to:</p> <ol style="list-style-type: none"> 1. Inform community schools about their past performance based on federal, state, and contractual standards. 2. Highlight strengths and identify areas needing improvement. 3. Help the public understand each school's achievements and compliance with its public obligations. <p>School leaders and governing bodies received these evaluations in October. The report’s final section provided a summary of school performance and an initial outlook for renewal. This outlook was only a preliminary indication, not a guarantee, as renewal decisions depended on each school’s renewal application and consistent performance over time.</p>
<p>Recent Site Visit Highlights</p>	<p>EC: During the site visit it was noted the consistent implementation of Title I services is a strength, as it ensures that students receive regular, targeted academic support.</p>

Financial Updates	The ESCLEW Community Schools Financial Consultant held a monthly meeting with the school's treasurer, a completed report was emailed following the meeting. If you have any concerns with your school's financials, please contact your school's treasurer.
