

Constellation Schools Eastside Arts Academy

June 11, 2025

Dear Eastside Arts Academy Families,

I'm writing to share an important update for the 2025–26 school year. While I will continue serving as Executive Principal of Eastside Arts Academy, my primary location ("home base") will shift to Constellation Schools Old Brooklyn Community Middle School (OBCM).

This was a thoughtful decision after considering how I can best support the Constellation network of schools. OBCM, one of our founding schools, is poised for new growth and development, and I'm excited to take on a leadership role there while continuing to support Eastside Arts.

Starting July 1st, I'll transition to OBCM full time, but I'll remain actively involved with Eastside. I will be present regularly. I will work closely with Mr. Brian Draper, the new principal, to ensure a smooth transition and support him as his Executive Principal. Mr. Draper has been engaged with Eastside for the last several weeks, and I'm confident his leadership will bring fresh energy and ideas.

Thank you for your continued trust and support over the years. Leading this incredible school and community has been an honor, and I will always be connected to Eastside.

Warm regards,

Mrs. Kate Rybak
