"The Right Choice for Parents and a Real Chance for Children!"

Dear Parents and Guardians,

Welcome back for another year of academics, growth, and fun times. We have been hard at work making sure that this year will be the best yet in your child's educational journey. As we begin this new year, I want to share some important information with you, along with our goals for this coming school year.

Below you will find some important information for the upcoming school year for both our Elementary and Middle School buildings, as well as the goals I mentioned above. This will not be the last time you hear about these goals, as we will be sending updates throughout the school year. Teachers will also be setting goals for each of your children and updating you quarterly.

Key Dates and Information:

- **Back-to-School Open House at both the Elementary and Middle:** Tuesday, August 19th from 3-6
- **First Day of School:** Thursday, August 21st, 2025
- **School Hours Elementary:** 8:15-3:25 **School Hours Middle:** 8:05-3:15

Elyria Community School Goals:

- **ELA and Math Growth:** It is our goal for each child to show 1 year's worth of growth in ELA and Math according to data from our District Diagnostic Assessment, i-Ready.
- **Attendance is a MUST:** It is our goal that each building has an attendance rate of 95%, meaning that for the year to date, 95% of the days, compared to this past year's 88%.
- **Student Behaviors:** It is our goal that negative student behaviors/referrals decrease by 50%.

The 3 goals mentioned above are focused on vital areas for any child's academic success. We believe that when children are consistently in attendance at school, behaving appropriately, and engaged in academics, that child will grow exponentially.

Our commitment to fostering a positive and inclusive school culture remains steadfast. We are dedicated to creating an environment where every student feels valued, respected, and inspired to reach their full potential. We will continue to emphasize the importance of kindness, respect, and responsibility in all aspects of school life.

I am looking forward to an incredible year ahead and cannot wait to see the smiling faces of our students filling the hallways once again. Together, we will make this school year a memorable and successful one for all.

Thank you for your continued support and partnership. Let's make this year the best one yet!

Warm regards,

Brian Belmont
