

Constellation Schools Westpark Community Middle School

"The Right Choice for Parents and a Real Chance for Children!"

June 2025

Dear Families:

As the principal of Westpark Community Middle School, it is my pleasure to welcome new and returning families to a great year at WCMS. We are all excited to have students back in our classrooms and hallways, filling them with energy and enthusiasm for learning. It is our mission to help every child feel welcomed, connected, and a part of our WCMS family. Our staff looks forward to hosting in-person events for our students, including our autumn Costume Party and winter Snow Ball, as well as clubs, field trips, and music concerts.

Communication is always key to success. We hope that you find our website helpful and informative. But we are communicating in numerous ways this school year. Our main form of communication is through the DOJO app. This app allows our staff members to communicate with family members in an efficient manner that families can read at their convenience. Another form of electronic communication will be SchoolMessenger. This format allows you to receive voice messages, email messages, and text messages. Of course, paper communication will come home through your child's backpack. All information regarding how to sign up for the electronic communication will be available at our Open House on August 19th. But, please feel free to always call the school at 216-251-7200 if you have any questions or concerns.

Academics are always at the forefront of WCMS. This upcoming school year, we are implementing the Savaas Math program across all grade levels. Savaas Interactive Science and Savaas My World Interactive for Social Studies will continue to be used by all 5th- to 8th-grade students. Lastly, our 5th-grade students will be utilizing Wonders reading program, while our 6th-8th-grade students will be learning their ELA skills through our StudySync. A rigorous program is essential for your children to succeed as they transition into high school and beyond, and I believe that this curriculum will serve as the necessary driving force for our students.

I am honored to serve as the principal of WCMS. It is great to be a part of a community where students, teachers, and parents care for each other and strive to build meaningful relationships that support academic and social-emotional growth. Feel free to contact me with any questions, comments, or concerns at 216-251-7200 or rotolo.deborah@constellationschools.com. I look forward to working with you and assisting each student to meet his/her personal goals.

Go Warriors!

Educationally yours,

Deborah Rotolo
