

Westside Community School of the Arts

"The Right Choice for Parents and a Real Chance for Children!"

Ms. Julie A. Clark M. Ed., Principal

Hello Westside Community School of the Arts Parents and Community!

I hope all of you enjoyed your summer and were able to carve out some quality family time and are excited to start a new school year with opportunities to work together to support your children as they grow. I am very excited to welcome you back to Westside Community School of the Arts for the upcoming academic year 2025-2026.

As I look forward to the upcoming year and all the opportunities and possibilities that will come with it, I want to express my gratitude for the support you provide for your child(ren) and for the school. Last year provided several challenges and with your support, we were able to overcome these obstacles and build a stronger team to support all students at WCSA.

This year, we are excited for the new opportunities and additional support to strengthen services provided by Westside Community School of the Arts. From a new Mathematics curriculum to additional extracurricular activities to a more structured Art and Music department. We will adopt a new motto of **"Every Student...Every Classroom...Every Day,"** to focus on the whole child and their learning process.

I encourage you to continue to stay actively involved in your child(ren) education by attending school events, volunteering, and maintaining open communication with our dedicated staff. Your partnership is key to the success of our school community, and I am confident that together, we will continue to create an enriching and supportive environment where **every child will grow**.

Please mark your calendars for our 2 Family Nights, Open House, and our Back to School Bash on August 14th, where you will have the opportunity to meet our outstanding teachers, explore the classrooms, and learn more about the exciting year ahead. I am looking forward to the coming school year filled with student growth and memorable events.

The first day of school is August 21st. See you soon!

Ms. Julie A Clark M.Ed., Principal
