

SEPTEMBER
EDITION

From Mr. Luecke's Desk

Welcome to the 2025-2026 School Year!

We're thrilled to start the new school year and loved seeing so many families at our Movie Night on August 7th. It was a great evening with food, community, and the Minecraft Movie!

Our PCI staff is excited to have our students back in the building and we look forward to working with parents to help every student excel as learners and responsible citizens.

Each month, teachers will recognize students who exemplify the character trait of the month:

- September: Respect
- October: Responsibility
- November: Citizenship

Reminders

Please complete Student Forms

Forms can be completed online using the portal account. Paper copies that were sent home with students may be turned into our School Office.

Please contact the office for assistance @ 440-340-4654
