XV. Sponsor Update

Month: October

Presented by:	Joyce Lewis		In person
Governing Authority Highlights / Important updates from ESCLEW	<ul style="list-style-type: none"> ● The 2024–25 ESCLEW Sponsor Annual Report, combining all sponsored schools’ reports, will be shared with stakeholders in early November. Schools must notify parents by posting the report on their website by November 30, 2025. ● The ESC of Lake Erie West issued its Annual Performance Report to support high educational standards for Ohio’s public-school students. The report aimed to: <ol style="list-style-type: none"> 1. Inform community schools about their past performance based on federal, state, and contractual standards. 2. Highlight strengths and identify areas needing improvement. 3. Help the public understand each school's achievements and compliance with its public obligations. <p>School leaders and governing bodies received these evaluations in September. The report’s final section provided a summary of school performance and an initial outlook for renewal. This outlook was only a preliminary indication, not a guarantee, as renewal decisions depended on each school’s renewal application and consistent performance over time.</p> ● If you missed the Open Meetings & Public Records Training, ESCLEW will be offering an additional virtual session with Adam Schira this spring or you can complete the on-demand virtual training through the Attorney General’s website. 		
Recent Site Visit Highlights	<p>PTCE: Fall i-Ready data indicate a continued need for strengthening core instruction and intervention in both ELA and Math. The school is implementing the Third Grade Reading Guarantee with fidelity, ensuring qualified teachers provide instruction and interventions for students on RIMPs. Special education services are temporarily impacted by an unfilled Intervention Specialist position, though the school is actively hiring and plans to provide compensatory minutes once staffing is complete. Continued focus on early literacy and consistent behavioral expectations will support ongoing improvement.</p>		
Financial Update	<p>The ESCLEW Community Schools Financial Consultant held a monthly meeting with the school’s treasurer, a completed report was emailed following the meeting. If you have any concerns with your school’s financials, please contact your school’s treasurer.</p>
