FINAL UPDATES...

Please be advised that our sign-out procedures have changed.

Students can only be released for early dismissal once a parent/guardian has arrived. You will sign your student out at the front door with our SRO and have a seat in the waiting area. We will send your student down to you and sign them out on our end.

Thank you for your continued patience and adaptability as we work towards building a safer school enviroment.

Scheduling has begun for next school year.

In the coming weeks, your students will be called down by their counselors to discuss which courses they will elect to take in High School.
For a full program of studies, please contact the main office.
