Cost of Repair for Chromebooks

TSD techs will assess the damage and submit the information to the main office and families will be invoiced for the cost of damages.

The table below represents the cost of most repair items. Note that the cost listed is for the supplies needed to complete the repair, and some repairs may require multiple items to be replaced. If the cost of the repair exceeds 85% of the remaining value of the Chromebook, a full replacement will be required.

Screen (Standard)	$120	
Keyboard	$70	
Touchpad	$50	
Screen Cable	$60	
Bezel*	$50	***Requires Hinge Replacement**
Hinge*	$70	***Requires Bezel Replacement**
Charger	$40	
Full Replacement	$250	

Longevity Table	
0-12 months old	75%
13-24 months old	50%
25-36 months old	25%
37-48 months old	10%
>48 months	Retire
