2000 STUDENT CONDUCT, RESPONSIBILITIES AND RIGHTS

4.2010 Student Code of Conduct – Statement of General Policy

The School is a "character education" school in addition to being focused on high academic achievement for children, and we believe it is important to live and practice the values, positive character traits and behaviors that we teach every day. Character development is an essential part of the education that takes place in the school. To ensure an environment conducive to learning we have developed specific rules, regulations, policies and procedures to provide guidance to (1) students – so that there will be no ambiguity at to what is expected, and, (2) staff – so that when it is necessary to discipline a student, it will be done fairly and respectfully. It is essential that the disciplinary policies and procedures adopted by the Board be consistently applied to all students. All employees are expected to know and enforce these policies and procedures. Students and Parents receive a copy of, and review, the **Student Code of Conduct** and **Disciplinary Policies and Procedures**, and acknowledge that they have done so in writing. The Student Code of Conduct and Disciplinary Policies and Procedures may be amended or modified, from time-to-time, as the Principal deems necessary and/or advisable. Our expectations are as follows:

- Students will respect authority and conform to school rules of conduct
- Students will be respectful of one another
- Students will respect the rights and property of others, including teachers, students, and the school
- Nonviolence, peace and concern for one another is the foundation of all school activity
- Each person possesses unique gifts that should be recognized and accepted
- Students will attend school every day, be on time, and be prepared to learn
- Students will wear the appropriate uniform each day, and will present a neat, clean appearance
- Student will exercise self-discipline and self-control in all aspects of school activities
- Students will assist in maintaining an orderly, clean school environment
- Students have an affirmative obligation to report violations of this Code of Conduct or other School policies and rules

4.2010.1 Philosophy

Children naturally want to follow rules if adults clearly define the rules and then invite the child to assume responsibility for his or her behavior. Discipline should be a learning experience rather than a punitive experience. One of the desired goals of the character education program presented by our School is to foster, inculcate, and sustain strong habits of self-discipline. Positive discipline procedures will be implemented to the extent possible to create an educational environment favorable to concentration, attention, reflective thinking, and creativity. Anger management and conflict resolution strategies will be taught to all Students and practiced throughout the classrooms and School. Assuming personal responsibility for behavior is to understand and accept the consequences for violating rules. In disciplining, Teachers are expected to be firm, consistent, just, and impartial, yet display compassion for the child, while maintaining an atmosphere conducive to learning.

4.2010.2 Unacceptable Disciplinary Actions

Certain disciplinary measures are inherently contrary to our philosophy. Therefore, the following measures are not permitted:

- Personal indignities
- Any form of corporal punishment
- Verbal and nonverbal humiliation, sarcasm, ridicule, name-calling, swearing, gestures, etc.

4.2010.3 Disciplinary Action

Progressive discipline will be utilized whenever possible and appropriate, however, there may be instances where circumstances dictate immediate remedial and corrective actions to protect Students, Staff, or the School. In these cases, the Principal may determine the necessary disciplinary action and the timing of such action.

4.2010.4 Minor Infractions

Minor infractions will be dealt with in the classrooms in a developmentally appropriate manner.
