Constellation Schools
Eastside Arts Academy

2025-2026 ANNUAL REPORT

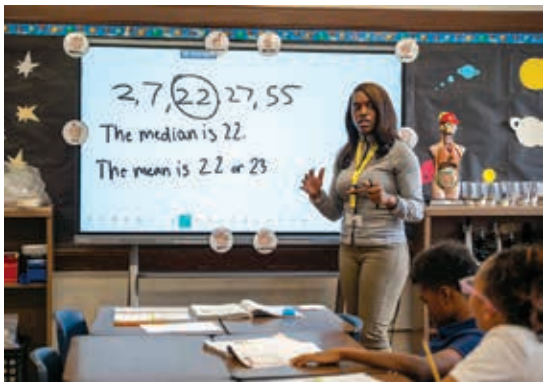

Founded in 2011, Constellation Schools: Eastside Arts Academy provides students with a nurturing, close-knit school experience where the arts are an important part of everyday learning. Located in Cleveland's historic Slavic Village community, the school combines strong academic expectations with opportunities for students to explore their creativity, express themselves, and discover their individual talents. Students experience art and music as part of their regular school day, giving them opportunities to create, perform, and build confidence through the arts. The arts are woven into the school experience and provide students with meaningful ways to connect learning with creativity and self-expression. Students can also explore their interests through clubs, sports, special activities, and educational field trips. Technology supports learning throughout the school day, with classrooms equipped with interactive whiteboards and a 1:1 laptop program. Eastside Arts Academy is committed to educating the whole child by supporting academic achievement, creativity, character development, and positive behavior. With caring teachers, small class sizes, and a strong emphasis on the fine and performing arts, Eastside Arts Academy gives students opportunities to learn, create, perform, and grow with confidence.

Mission Statement: Constellation Schools provide every child an opportunity to obtain an excellent education built on a foundation of character education for lifelong success.
